
Dear

We're formally challenging YOU! It's time to put your running shoes where your mouth is (ew...we don't actually recommend that)...but we do recommend accepting! Register your team for the Connects Federal Credit Union Corporate 4-miler on Thursday, June 4, at Innsbrook Office Park, and try and show us who's boss.

If you think you can take us on, visit www.sportsbackers.org/events/corporate-4-miler, and learn about creating your team with the step-by-step Team Captain Registration Guide. Rally your coworkers, and be there because we're already one step ahead of you.

Get ready to eat our dust, or better yet have a beer with us at the Hirschler Fleischer Post-Race Office Party! Better bring you're A-game because it's about to go down!

Your rivals,
