# WALMART BIZ BOWL 101

## WHAT IS IT?

Field days were the best days. Tug of war, wiffle ball, obstacle courses, grass stains, and big wins! We're bringing the good 'ole days back with the Walmart Biz Bowl! Show off your company pride and build team spirit in a friendly corporate based competition. It's all going down on September 26th at River City Sportsplex!

## WHO CAN PARTICIPATE?

The event is open to all Richmond region businesses, big and small. Companies will register and compete based on how many employees are in their organization. The breakdown looks like this:

- Small Business Division (1 to 50 employees) - \$1,000
- Medium Business Division (51 to 249 employees) - \$1,500
- Large Business Division (250 or more employees) - \$1,800

## HOW DO WE SIGN UP?

It's easy! Register your company team ([sportsbackers.org/events/biz-bowl](https://sportsbackers.org/events/biz-bowl)) and use the kit available on our website to start recruiting your co-workers. The registration fee covers anyone in your company that wants to join the fun! The fee will include a 10'x10' tent that will serve as your team's "home base," the place where associates, managers, directors, and CEOs alike can mingle in a relaxed, social environment and network with other companies.

## WHO COMPETES IN EACH EVENT?

Any member of your team, including: employees, friends, and family! Teammates can compete in multiple events and there is no limit to the number of team members participating in a single event, with the exception of bracketed events.

## I'M NOT REALLY THE COMPETITIVE TYPE...

No problem! A big part of the Walmart Biz Bowl lies in the social aspect within and between participating companies. And, let's not forget that some of the events are participation-based, which means you can earn points just for being a part of the fun or even by volunteering. Cheering on your teammates to victory is also a big part of the day!
